WHEELS TO WOODS

Our program funds the transportation costs for Michigan PreK-12 schools and other youth groups to attend an educational field trip at a school forest, nearby private or public forest, or forest products company.

average
\$5
per student

up to
\$350
per bus

up to
\$1,000
per school

Have a forest in mind?
Download our application
online.

Need help finding a forest
or forest products
company? Contact us!

Teachers are encouraged
to use lesson plans from
outdoor education
curricula such as Project
Learning Tree, Project
WILD, Project WET or the
Michigan Environmental
Education Curriculum
Support on their trip.

2018 Stats:
