

# THE WOMAN LANDOWNER workshops

*Are you ready to get a hand on your land?*

*Are you ready to feel confident in forest land ownership and management decisions?*

**Join us and other women in a series of full-day workshops that will equip you with resources, knowledge and confidence to be engaged in the management of your land!**

## You'll learn:

- Land management necessities
- Harvesting basics
- Reforestation techniques
- Field tour from a landowner perspective
- Discussions with foresters

You'll hear from women professionals and be *enlightened and empowered* to handle your land management!

*Lunch is provided  
Workshops capped at first 35 women*

## Choose one or attend the entire series!

Aug. 19, 2021 (Augusta, Georgia):  
**Intro to Forest Management**

Oct. 7, 2021 (Valdosta, Georgia):  
**Reforestation Techniques**

Jan. 27, 2022 (Columbus, Georgia):  
**Harvesting Basics**

## You can NOW attend virtually OR in-person!

*"Really enjoyed the whole series! Lots of good information!"*

- S. Coffee

*"I've now got a much better idea what to do with my land. I will attend your next event because today I learned how much more there is to learn."*

-V. Moyer

*"Probably one of the best workshops I have attended."*

-J. Stoudt
